Introducing the Unique Male Composite Wood watch - a sophisticated and timeless timepiece that is sure to make an impression. Boasting high-quality composite wood materials along with a hardlex glass and durable Japanese quartz movement, this watch offers dependable accuracy and performance. The band width of 20mm makes it comfortable for daily wear, while its 9.9mm thin case size seamlessly fits any wrist size. A conveniently hidden push button clasp completes the design, giving you an effortless way to securely fasten your watch. With its water resistance offering splash proof protection, this special watch will keep up with you wherever your day takes you. Utilize classic style and contemporary craftsmanship with the Unique Male Composite Wood watch - perfect for any occasion.
