Description:

Business Premisses for Sale in Bredasdorp - 20 Church street
I am the owner of this property. You will buy directly from me. No commission or VAT to be paid.

Church street is certainly one of the busiest streets in Bredasdorp in the Overberg Region of South Africa. It's all about location.

The property is an amazing fixer-upper, and once done the new owners will be so proud of this most affordable purchase that they have made.

The property stretch from Church street [the front section] to Waterkant street [the rear section]. At the rear section there is a double garage and garden area. The front section is currently rented out as two seperate businesses, but can be combined in a one floor business area.

The price is R1.85 mil, but offers are most welcome.

Additional Information:

Bredasdorp is a town in the Southern Overberg region of the Western Cape, South Africa, and the main economic and service hub of that region. It lies on the northern edge of the Agulhas and Struisbaai Plain, about 160 kilometres (100 min) south-east of Cape Town and 35 kilometres (22 min) north of Cape Agulhas, the southernmost tip of Africa.

Tourist attractions of Bredasdorp include the Heuningberg Nature Reserve, many historical churches, and art galleries and craft shops. Bredasdorp is also home to the Shipwreck Museum which tells the stories of the 150 wrecks along the nearby Agulhas Reef. It is the only museum of its kind in the southern hemisphere.
