Additional information

Additional Information:

With this course: Effective Speaking, I teach you how to reflect your own personality whilst at the same time speaking with confidence and clarity. Your vocal sound and speech content can reveal your emotional state. For example; if your self esteem is low your voice will have a hesitancy, and sentences have little volume; whereas, if you are confident it shows in the way you command your voice and incorporate superb Elocution. Various Aspects of Effective Speaking I cover: Accent Reduction - heavy accents can mar communication, Finding your vocal tones - pitch, resonance and tone (emotions) can bring any speech alive, The effect on your voice when using the correct breathing method for speech, Vocal production - enunciation and pronunciation to promote eloquence and clarity when speaking.
