### Listing details

#### Description

Title: Vacation Rentals South Africa

Description:

**Are you looking to book a stay in a specific South African town, or are you interested in listing your property as a host?** Want2Stay.com is a South African vacation rental platform and online marketplace that connects property owners with travellers seeking short-term holiday accommodation. Established in 2018, headquartered in Struisbaai, it serves as a niche, local, and affordable alternative to major platforms like Airbnb.

#### Additional information

Additional Information:

##### For Travellers:

The Want2Stay platform focuses on transparent pricing and ease of use for guests.

##### Transparent Pricing:

Guests pay the exact price displayed on the website. There are no additional booking fees and no Value Added Tax (VAT) applied at checkout.

**Accommodation Variety:** Options range from self-catering holiday homes and guesthouses to luxury villas, apartments, and even tented camps.

##### Support & Security:

Bookings are made through a secure platform with access to a 24/7 Client Support Helpdesk.

**Popular Locations:**

Key clusters include Cape Town (Sea Point, Gordon's Bay), the Garden Route (Mossel Bay), and KwaZulu-Natal (Umhlanga Rocks, St Lucia).

**For Property Owners (Hosts):**

Want2Stay offers a host-friendly model designed for local independent owners.

**Free Listing:**

Property owners can list their accommodation for free without any monthly charges.

**Commission Structure:**

Owners pay a 10% booking fee, which is already built into the price shown to guests.

**Management Tools:**

Hosts have full control over their availability, price plans, and rules. The platform also supports calendar synchronisation with other services like Airbnb and NightsBridge.

**Concierge Listing Service:**

For a one-time fee of approximately R300 (\$20 USD), the Want2Stay staff will manually list and set up a property for owners who prefer not to handle the technical side themselves.

**Are you looking to book a stay in a specific South African town, or are you interested in listing your property as a host? Come to [want2stay.com](https://want2stay.com), your friend in vacation accommodation.**
