Additional information

Additional Information:
The spirit of ocean racing runs deep through the venue. “Situated in the Gordon's Bay Waterfront, Bertie's Moorings is a family run restaurant named after the famous yachtie, Bertie Reed.”. The interior features a striking, handcrafted oak barrel horseshoe bar built by Reed himself, making it a warm gathering place during the colder winter months when the indoor fireplace is lit.

Scenic Dining & Ambience:
The layout seamlessly caters to both social drinking and family meals.

The Outdoor Deck: A spacious seating area accommodating up to 120 guests, offering views of the marina and regular appearances by a resident Cape fur seal swimming between the watercraft.

The Atmosphere:
Described by patrons as a tranquil yet trendy waterfront setting where diners can enjoy fresh ocean breezes and watch spectacular coastal sunsets.

Sports & Entertainment:
Big-screen TVs regularly broadcast live sporting events, turning the venue into a buzzing hub whenever the Springboks or local football teams play.

The Menu:
Casual Comfort and Seafood while the establishment focuses on value-for-money pub-style fare rather than fine dining, it provides a comprehensive selection of comfort food. The menu offers a variety of dishes, including fish, meat, poultry, and salads. Classic seafood, pan-fried or deep-fried Hake & Chips, calamari combinations, and pan-fried black tiger prawns in lemon butter. Wood-fire pizzas, starters, desserts and anything to drink.
