Title: BP and Pick n Pay join hands with Smart Shopper

Description

Description:

Pick n Pay Smart Shoppers will now get back 20 cents in points for every litre petrol purchased at BP. The offer will last until the end of March, after which consumers will earn 10 cents per litre. The savings can only be spent at Pick n Pay stores, but plans are underway to expand to BP fuel stations as well.

Pick n Pay Smart Shoppers will get back 20 cents in points per litre petrol purchased at BP fuel stations, the retailer announced on Thursday

The offer, effectively immediately, will last until the end of March, after which consumers will earn 10 cents per litre of petrol, which they'll only be able to spend at Pick n Pay stores.
