Title: Best Free Classified Websites

Additional Information:

The Most Popular Free Classified Ads Websites Sites

Posting classified ads as part of your marketing strategies may sound old-school, but don't underestimate this well proven advertising trick (if posted at the correct place).

Not all free ads posting sites weigh the same authority. However, there is no doubt that, if one look at the number of posted ads then, **website like Gumtree, Junkmail, Craigslist, Ebay and others are very popular.**

NB: You need your adverts to be viewed by prospective clients who will be interested in your business, services, goods or, whatever it is that you are advertising. But, and **this is important, often you run the risk of your advert disappearing amongst millions of others.**

Choose ... World Solutions Free Classifieds! The active ads are not in the millions which in turn may lead to a positive response for your business. Advertise on World Solutions, it is quick and easy for anyone, anything anywhere.

What is amazing about World Solutions is that you can choose the runtime of your adverts, for a **period of 1 week to 1 year**. Yes, up to 12 months before you have to renew. To renew takes just one click. In addition **clients contact you directly** and not through the website.

The number of **clicks your receive are displayed** on the World Solutions listing. Frankly, it is worth the try. Sign-up and post your ads today!

You can even create a number of ads. It will then provide you also with a single website link that you

can share on Social Media like Facebook, Twitter etc. [See this link as example - https://www.worldsolutions.co.za/world-solutions-free-classifie/#listings]
