Public speaking is a process of speaking a group of people in a structured, deliberate manner intended to inform, influence, or entertain the listeners. It is closely allied to "presenting". Public speaking is commonly understood as a kind of face-to-face speaking between individuals and an audience for the purpose of communication. Developing skills in this area will increase your confidence and reduce anxiety about situations in which you may be called upon to speak in public. Public Speaking can branch out into the following careers: <span style="font-size: 12.0pt;
