Description

Description:

We've been passionate about massage for many years, so we are able to integrate different modalities of bodywork and various techniques seamlessly for optimal results.

Energetic, therapeutic, very soothing, warming and nurturing touch. You will experience a fabulous massage to regenerate your senses! Just what you need to relax and sleep well at night, especially after a long-haul flight or if you came from a different time zone and have trouble sleeping!

We guarantee that you will have a good night's sleep after each massage session. Every session is slightly different depending on your body, your preferences, energy and lifestyle, and what effect you're hoping to get from our session. Some will be therapeutic, helping you to heal from injuries, inflammation or strains of your muscles... others will be to completely relax and unwind from life's stresses.

Studied and worked in: London, Dublin and South Africa
