Description

Description:

“In the first study on the cellular effects of massage post-exercise, researchers found that massage bolsters chemical signals reducing inflammation and promoting repair of muscle cells.”

Doing therapeutic massage and body work is more than just our job.

We love what we do because we know we are serving as a conduit to someone's better health.

Our background includes working with professional athletes, pain management/recovery.

We tailor the massage to your body's needs utilizing whichever technique we find fit to your treatment.

You receive a total body, mind and soul experience, providing general relaxation of the muscles and nerves.

After receiving our massage, you will have your energy restored and your spirit renewed.

Call now and book an appointment to experience it! Fully qualified (ITEC or other equivalent EU Certificates).

We offer a wide range of massage styles.

To Book Now You Can: Give us a call: 073 685 8839
