Description:

Executive Protection is the core service in Johannesburg, South Africa Executive Protection is the core service upon which NSA Global Security Consultants was founded in 1999, and remains a major component of our service offering. We believe that we have unequalled experience and expertise in providing discreet, professional services to a range of clients globally. Our tailored Executive and VIP Protection services are provided on both a long-term and ad-hoc basis in all countries in which we operate. Executive protection and journey management are the core services on which NSA Global was founded over 20 years ago. In that time, we have established ourselves as a market leader, trusted partner and service provider of choice for Fortune 500 companies, NGO's, high net worth and ultra-high net worth individuals and other entities globally.
