Location

Additional information

Additional Information:

Radio presenters (a.k.a Disk Jockey, Radio Announcer, Radio Broadcaster) are the public voice of commercial, public and community radio stations. They compile and present radio programs to the public on a range of topics and with a specific musical or topical focus that may vary according to the type of station for which they work or their particular skills or areas of interest. Their on-air presentation may focus more on a particular style of music, on interviewing and talk back, or on a specific topic like sports, cooking, current affairs or gardening.

You will learn how to: prepare and present news, sport or other Information, conducts interviews, and introduce music, performance and special events on radio.

This occupation requires high levels of creative talent or personal commitment and interest. If you feel you have what it takes, come and participate in the course.
