Listing details

Title: Rack mount water chiller for handheld laser

Description

Description:

Website: <https://www.teyuchiller.com>

Industrial water cooled [rack mount chiller](#) RMFL-2000 is specifically designed for 2000W handheld laser welding machines. With dual circuit configuration, this air cooled water chiller can cool the laser source and the welding head at the same time. The rack mount design enables this chiller to be very flexible and easy to use.

Laser water chiller RMFL-2000 also has the approval from CE, ROHS, REACH and ISO and is charged with environmental friendly refrigerant, so it won't cause any pollution to the environment. With high cooling capacity, this chiller is sufficient to provide effective cooling for the handheld laser welding machine.

The warranty for the chiller is 2 years.

About S&A Chiller Brand

[S&A Chiller](#) was founded in 2002 with 21 years of industrial water chiller manufacturing experience and now is recognized as a cooling technology pioneer and reliable partner in the laser industry. S&A Chiller delivers what it promises - providing high performance, highly reliable and energy efficient industrial water chillers with superior quality.

The reasons why you can rely on us are as follows:

- Reliable quality at a competitive price;
- ISO, CE, ROHS and REACH certificated;
- Cooling capacity ranging from 0.6kW-40kW;
- Available for fiber laser, CO2 laser, UV laser, diode laser, ultrafast laser, etc;
- 2-year warranty with professional after-sales service;
- Factory area of 25,000m2 with 400+ employees;
- Annual sales quantity of 100,000 units, exported to 50+ countries.
