

Industrial chiller CW 6100 for 36kW CNC Spindle

CHILLER CW-6100

- ✓ CNC Spindle Chiller
- ✓ $\pm 0.5^{\circ}\text{C}$
- ✓ 4.2KW Cooling Capacity
- ✓ High Performance Pump

Listing details

Title: Industrial chiller CW 6100 for 36kW CNC Spindle

Description

Description:

Website: <https://www.teyuchiller.com>

CNC spindle water chiller CW-6100 is a great laser cooler for cooling 36kW machining spindles. It reduces thermal growth in the spindle by using process cooling which features intelligent temperature control and multiple safety mechanisms, keeps the spindle at the proper temperature and continues to run stably. Powerful, stable and efficient cooling, green energy saving and environmental protection, CW-6100 is a popular industrial chiller in S&A spindle cooling systems, and it is also a good helper for CNC spindle machine tool cooling.

Industrial water chiller CW-6100 complies with CE, ROHS, REACH standards and is charged with environmentally friendly refrigerant, so it won't cause any pollution to the environment. The side casings are easy to be taken apart for regular maintenance. The warranty for the laser chiller is 2 years.

Industrial recirculating chiller CW-6100 features:

1. Temperature Stability: $\pm 0.5^{\circ}\text{C}$
2. Temperature Control Range: $5^{\circ}\text{C} \sim 35^{\circ}\text{C}$
3. Active Cooling, Cooling Capacity 4200W
4. R-410a Refrigerant, Environmental Friendly
5. Constant Temperature & Intelligent Temperature Control
6. Back Mounted Water Fill Port and Easy-to-read Water Level Check
7. Multi-Country Power Specifications
8. Various Alarm Protection Functions
9. CE, RoHS and REACH Approval
10. High reliability, energy efficiency and durability

About S&A Chiller Brand

[S&A Chiller](#) was founded in 2002 with 21 years of industrial water chiller manufacturing experience and now is recognized as a cooling technology pioneer and reliable partner in the laser industry. S&A Chiller delivers what it promises - providing high performance, highly reliable and energy efficient industrial water chillers with superior quality.

The reasons why you can rely on us are as follows:

- Reliable quality at a competitive price;
- ISO, CE, ROHS and REACH certificated;
- Cooling capacity ranging from 0.6kW-40kW;
- Available for fiber laser, CO2 laser, UV laser, diode laser, ultrafast laser, etc;
- 2-year warranty with professional after-sales service;
- Factory area of 25,000m2 with 400+ employees;
- Annual sales quantity of 100,000 units, exported to 50+ countries.
