Additional information

Additional Information:

Since 1996 we have been helping thousands of vehicle owners get the most value from their leisure and commercial vehicles. Our range of bolt-on suspension stabilisers improves the ride-quality and weight carrying ability of your bakkie or 4x4. Our systems provide improved stability and control to partially or fully loaded vehicles without affecting the comfort of the un-loaded ride.

- Adjustable ride height.
- Awesome stability and up to 45% load leveling for pick ups and 4x4s.
- Vastly improved handling and ride quality, loaded or unloaded.
- Safer, more comfortable ride.
- Carry maximum rated loads.
- Our products work in conjunction with the existing springs, making them one of the strongest and most effective suspension aids available today.

- Easy DIY fitment with basic hand tools.
- Available through dealers or delivery country wide.
- Our products are fully manufactured in SA.

PICKUPS • 4X4S • TOW VEHICLES • LIGHT DELIVERY VEHICLES • COMMERCIAL VEHICLES • FARM VEHICLES• MOTOR HOMES.
